

EDUCATION:

Qualification/Degree	School/College	University/Board	Year
B.Tech. (CSE)	Chitkara Institute of Engineering & Tech, Pb.	Chitkara University	2015-2019
Class XII	Army Public School, Samba	C.B.S.E.	2014-2015
Class X	Army Public School, Samba	C.B.S.E.	2012-2013

PROJECTS:

- **Video Cafe :**
Made a video sharing site for students and professors in an organisation to upload, view and comment on videos in real-time using cloud storage which can handle more than 10,000 users at a time.
Technologies Used: Angular, Firebase, Bootstrap.
- **Conducting Quiz:**
Made a web based test conducting application for students and professors integrating google sheets as backend and firebase as cloud server, handling user requests and response in real-time.
Technologies Used: Angular, Firebase, Google Forms, Bootstrap.
- **Weather App:**
A simple weather application using node implementing the usage of google maps api and dark sky api.
Technologies Used: Node.
- **Login using fingerprint sensor :**
The idea was to make a login system which saves the fingerprint data and thus logins while scanning the fingerprint only. The thing learnt was the Backend connection, managing database, working of Fingerprint Scanner and connecting a Third Party application with website.
Technologies Used: JavaScript, Bootstrap, WAMP.
- **Phone Book Directory :**
An application which acts as a phone book directory. It performs all the functions of inserting new contact, deleting a contact, updating the contact and listing all contacts in the directory. It saves the data using Tree Map.
Technologies Used: Java.

TECHNICAL EXPERTISE:

- **Languages:** C,C++, Java, HTML, CSS
- **DBMS:** Oracle, My-SQL
- **Software:** WAMP, 3D-Max, Git, UMLet, Microsoft Office

SELECTIVE INTRESTS:

- Pencil Sketching
- Landscape Photography

CO-CURRICULAR ACTIVITIES:

- Actively participated in Blood Donation Camp held in the University
- Bagged First Prize in Group Cultural Heritage Quiz in University
- Participated in Kho-Kho event Organised by Hostel Club
- Attended Trekking and Mountaineering at Jawahar Institute of Mountaineering and Winter Sports, Sanasar (J&K)
- Bagged First position in International Informatics Olympiad in 8th class
